To outline the processes that Portland Secondary College (Must Street & Victoria Parade campuses) will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

SCOPE

DEFINITIONS

Child-related work: work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

Becoming a volunteer

Members of our school community who would like to volunteer are encouraged to speak with the relevant manager of their area of interest. Volunteers are required to undertake an induction process.

Suitability checks including Working with Children Checks

Working with students

Portland Secondary College (Must Street & Victoria Parade campuses) values the many volunteers that assist our school. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, Portland Secondary College (Must Street & Victoria Parade campuses) is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Portland Secondary College (Must Street & Victoria Parade campuses) is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to either the General Office or the relevant manager for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, gardening, working bees, school council, participating in sub-committees of school council, fundraising during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Portland Secondary College (Must Street & Victoria Parade campuses) reserves the right to undertake suitability checks, including proof of identity and/or Working with Children Checks, at its discretion if considered necessary for any particular activities or circumstances.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety Policy and our Statement of Values and School Philosophy. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Portland Secondary College (Must Street & Victoria Parade campuses).

Portland Secondary College (Must Street & Victoria Parade campuses) will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Portland Secondary College (Must Street & Victoria Parade campuses)'s child safety practices, including reporting obligations and procedures. The principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.
