

Year 12 Course Selection Page

In order to make some smart choices about future subject selections all Year 11 Students need to do five things.

To make some smart choices about future subject selections, all students need to do five things:

1. Download onto your device the VCE/VCAL 2022 Course Selection Handbook (available from August the 2nd) and read through it.
2. Watch the Course Information Video released on Compass on Monday 9th August.
3. Complete the questions on this page prior to making your Course Selections.
4. Discuss your choices with your mentor.
5. Complete your subject selections for 2022 online, using the details you will be given by your mentor after you have had a discussion.
