

Dear Parent/Guardian,

Portland Secondary College is looking forward to welcoming your child in 2022 and would like to advise you of Portland Secondary College's voluntary financial contributions for 2022. We make every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, this makes a huge difference to our school and the programs we can offer.

Under the Department of Education and Trainings [Parent Payment Policy](#), Victorian Government Schools are required to provide transparent information to their school community on voluntary parent contributions. Please find below our parent payment arrangements for 2022.

The Department's [Parent Payment Policy](#) is also presented as a one-page overview.

Yours sincerely,

JO KINDRED

Principal
