

Photographing, Filming and Recording Students Policy

PURPOSE

To explain to parents/carers how Portland Secondary College will collect, use and disclose photographs, video and recordings of students, when parent/carer consent is required before photographing, filming and recording students and how consent can be provided and withdrawn.

SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (“images”) of students. It does not cover the use of Closed Circuit Television (CCTV). The use of CCTV is covered in our school’s CCTV Policy.

POLICY

There are many occasions during the school year where Portland Secondary College staff photograph, film or record students participating in school activities or events.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student’s learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and on classroom blogs and apps. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Portland Secondary College has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014 (Vic)*. It also explains the circumstances in which Portland Secondary College will seek parent/carer consent and how consent can be provided and/or withdrawn.

The Photographing, Filming and Recording Students Consent Form is provided by Portland Secondary College at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting the General Office on 55231344. If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them

However, Portland Secondary College will inform the school community of the intention to install a CCTV through appropriate channels such as: a newsletter article; a statement on the school website; or posted material within the school grounds). Installation of CCTV will be done in accordance with the department's [CCTV Installation and Management Policy](#).

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards and student identity verification letters
- stored on CASES21 for educational and administrative purposes.

Portland Secondary College will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs.

Parents/carers who choose to opt out of having their child participate in official school photographs must contact the General Office on 55231344 before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.
